

The **Earned Income Tax Credit** is a way you can get up to \$4,536 by simply filing your taxes. To be eligible you must meet the following guidelines:

- Be a US Citizen or Legal Permanent Resident
 - Have a valid social security number
 - Have worked full or part-time for a portion of 2006
- AND
- Have income less than \$38,348.

The table below lists *maximum* income limits for EITC eligibility.

	Single	Married
25-65 Years Old with No Children Living at Home	\$12,120	\$14,120
One Child Living At Home	\$32,001	\$34,001
Two or More Children Living At Home	\$36,348	\$38,348

Guidelines and figures from IRS: Pages 46-59 of <http://www.irs.gov/pub/irs-pdf/i1040.pdf>

You can file your taxes and claim the Earned Income Tax Credit for **free** online by visiting www.icanefile.org/myrefund.
